MISSION STATEMENT

2013-2016

Through a culture of excellence, immerse students in educational opportunities and empower them to excel in an interconnected world.

BELIEFS

We believe that . . .

- Family is an integral influence in the development of a student
- The higher the expectations, the greater the results
- A culture of excellence creates a first-rate school district
- Students learn at different rates and in different ways
- Diversity and inclusion enriches us as individuals and as a society
- Both the District and community benefit from a genuine partnership
- The District, in partnership with families and with the community, is responsible for developing students who can compete in an interconnected world

GOALS

Teaching and Learning

- We will provide a variety of curriculum and course selections for all students in grades Pre-K–12.
- We will provide the necessary support to implement research-based instructional strategies that include problem solving skills.

Financial

- We will maintain financial stability with available resources for the next three years.
- We will access new revenue streams to support the growing needs of the District.

Culture and Climate

- We will establish one fully integrated branded District image.
- We will continuously improve internal engagement and involvement by District staff.

Communication

- We will implement a District-wide comprehensive communication plan.
